### LEAD-FREE UPDATE

## Compliant Parts

As of Jan 4, 2014, The "Reduction of Lead in Drinking Water Act" takes effect for the entire country and requires the use of "Lead-Free" parts for the installation of devices used to dispense water for human consumption.

**Any wettable surface must contain less than .25% lead to comply.**

**This includes kitchen and sink faucets and ice maker water supply. Showers and washing machines are not affected.**

**We have worked with our suppliers to bring you a full range of compliant fittings and stops.**

**Please refer to your state and local regulations.**
